

MANCHESTER TOWNSHIP “EMERGENCY NOTIFICATION SYSTEM”

Manchester Township has installed a new **Emergency Notification System** that will be utilized to notify residents of both **emergencies** AND closings. The system has been set up to notify Manchester residents through **land line** phone numbers acquired from Verizon. Unfortunately, there is no such central database for **cellular phone number(s)** that can be acquired. For that reason, if you would like your **cellular number** added to the notification system, you will need to fill out the form below and submit it to us at the address below as soon as possible. Please make sure to include ALL of the information requested. If we do not have a valid address, we can not insert the number(s) in the system to be accessed. Once we have received this information, we will add it to our database and you will be notified on both your land line phone and your cellular phone. If at any time you would like to have any numbers removed from the system, please notify us in writing and we will take action immediately.

I would like the following cellular phone number(s) added to the Manchester Township Emergency Notification system:

PLEASE PRINT

Name: _____

Mailing Address / # and Street: _____

Mailing Address / Town: _____

Cellular Number(s) and or Work Phone Numbers (without extensions) Please include AREA CODE and Number for each:

_____	_____
_____	_____
_____	_____

Please sign and date: _____
Signature: _____ **Date:** _____

Clip and Send to:
Manchester Township Emergency Notification System
Office of Emergency Management
1 Colonial Drive
Manchester Township, NJ 08759

You can also drop this form off in our Township Drop Box located at Town Hall.
