Old Business:

Ms. Borthwick, our Earth Day project was very successful, students did a great job on the bags, have some here to show members how hard the students work on this project.

Reduce, Reuse and Recycle, Take Care of the Earth.

Mr. Cook met with Mayor Palmer and General Manager Paul Spence of Shop Rite for presentation of the bags to Shop Rite. Great photos and positive press for all, the Commission, Shop Rite and the Township.

Mr. Cook, stated how pleased he was to take part in such a great project for both the students and the township.

Ms. Borthwick, Mayor Palmer sent the board a thank you for our fine work.

Public Forum:

Elaine Baumeister, LV West, asked board to help determine if certain streets in Leisure Village West are in flood zone. Some residents are being told they are and have to purchase very expensive flood insurance.

Board looked over maps provided to us by Art Abline, it is not very conclusive.

Ms. Borthwick will look into this further and get back to residents if more information is found to help.

Public portion closed:

There being no further business, on motion by Ms. Borthwick, seconded by Mr. Foor meeting was adjourned. All in favor, so be it.

Time: 8:15 P.M.

Respectfully submitted,

Marianne Borthwick
