

**MANCHESTER TOWNSHIP  
INTEROFFICE MEMORANDUM**

**TO:** Planning Board  
**FROM:** Environmental Commission  
**DATE:** Thursday, August 22, 2019  
**SUBJECT:** Dollar General – Block 41.01, Lot 1 – Route 37

The Environmental Commission has reviewed the above-mentioned Application for Development and has the following comments:

1. Anti-idling signage should be placed on site as per the state law prohibiting the idling of a vehicle for more than 3 minutes.
2. There is a quarterly maintenance schedule for the infiltration basins on this project. The Environmental Commission requests a copy of the quarterly maintenance reports to ensure the upkeep of the infiltration basins.
