

SENIOR SHOPPERS PROGRAM

It is times like these that we look to the community to be at the forefront of change and demonstrate that together, we can unite through service to address our community's most challenging needs.

Volunteers are needed to grocery shop and deliver to Seniors, who cannot/should not leave their house. Jersey Cares is partnering with the New Jersey Department on Aging to close the gap on this critical need.

VOLUNTEERING NEED TO KNOW

- Volunteers will be able to accept flexible assignments.
- COVID-19 precautions in place, all deliveries are performed using contact-less practices, including front door drop-off.
- Volunteers must agree to background check (volunteer covers \$15.80 cost).
- Volunteers pre-pay for the groceries and are reimbursed (with proof of delivery) through direct deposit.
