

WANTED

Winter coats

From **November 1, 2016** through **December 7, 2016**, Manchester Township is working with Jersey Cares to collect clean, used coats for donation.

Coats are needed for Men, Women & Kids... all sizes and styles. Snow suits are also needed, especially for the kids.

If you are cleaning out your closets or have treated yourself to a new coat for the winter, or your kids have outgrown their coats, please think of dropping off the old ones in the bin in the **Town Hall lobby at 1 Colonial Drive**.

Someone in NJ will welcome **YOUR** gift of warmth!

For helping to keep others warm!
